Appendix A. Power Trip Related Activities

As part of Power Trip, you will have the opportunity to participate in a number of activities that have their own associated risks. A full itinerary for the trip is currently being planned and will be posted on the Energy Graduate Group website: <https://eec.ucdavis.edu/energy-graduate-group/>

These activities may include, but are not limited to:

During part of the trip you may have the opportunity to bike through an urban environment. Biking through urban environments is not without risks. Precautions should be taken to further minimize risk through the use of helmets and other personal protective equipment.
- **Walking/Hiking**
During part of the trip you may have the opportunity to walk/hike on a well-maintained trail. Walking/Hiking through well-maintained trails still carries risks, which may include sprains, falls, etc.
- **Rail transport**
Part of the trip may involve the use of light rail for transportation.
- **Automotive transport**
Passenger vans will be used for the bulk of travel during this trip.

In addition to planned activities, there will be opportunities for students to independently purchase their own food or drink. Alcoholic beverages will not be provided to students through UC Davis funds.
